**Hi Dannii, welcome to Elite! How did you enjoy the shoot?** The shoot was awesome! I always enjoy my time with the Elite gang with their funny accents ;)

**What was it like to work with Tripodski on this shoot?** I really like working with Tripodski, we always get amazing pictures and he makes me feel comfortable and pretty :D

**What was it like to work with Keshia?** Keshia is just an absolute babe, we have a laugh and I would never turn down shooting with her :)

**What's Keshia's best feature?** It's difficult to pick as everything is hot about that girl but her eyes are so pretty.

**What's your best feature?** Erm, I would probably say my eyes as well, I've been told my boobs are pretty good too ;)

**Outside of modelling, do you have any other passions?** I love music, following and supporting the scene, I am really passionate about peace and just generally being nice to others, I love spreading positivity.

**So how can a guy impress you?** Guys lose all respect from me if I see them be a dick to other people, if you haven't got anything nice to say don't say it. Act like a respectful human being and I will have all the time in the world for you :)

**Do you have any tattoos or piercings?** The piercings I have are 20mm tunnels, snakebites, nose ring, tongue, belly button and tattoos I have a couple on my feet and leg, behind my ear and back, I have a day session booked in soon!

Hakuna Matata Elite readers!

I have not long returned from sunny Tunisia, but guess what? I'm still paler than pale, goth problems eh! Free-flowing cocktails are definitely the world's best invention; I don't think I spent a day sober. Tunisian men absolutely love girls with tattoos too, but they did say they'd never seen a girl with as many tattoos as me!

So I've been busy catching up on all the latest gossip, replying to your emails and sending out prints, I still have loads available, so make sure you pick one up! The email address is below!

Aside from being on holiday, I've had a nice quiet relaxing month, apologies that I've been a bit quiet on the photoshoot front, however, if you follow me on Twitter, you'll see something's changed, or should I say appeared... Head on over to my Twitter feed @leahharrismodel to see what I'm on about!

This month is a quiet one really, having been away, but make sure you check back next month, I'll have more to talk about!

*Dear Leah, me, my boyfriend and a girl I know ended up having a drunken threesome and now I can't get the image of her and him out of my head. It's driving me crazy and it's really upsetting him too, what shall I do?*

*Well, they do say that three is a crowd huh? Firstly, to enter into sexual experiences such as threesomes you need to ensure that you fully trust your partner as otherwise it can become a bit messy. Had something happened in your relationship previously to put doubts into your head? If so, you need to address these first and definitely before embarking on another one. If not, then I think it's probably because you and the other girl know each other, so you're likely to bump into each other and that can make things awkward.*

*Have you told your boyfriend how you're feeling? I'm pretty sure he'll be able to reassure you, but make sure you work on those trust issues before doing anything so crazy again!*

Leah

# MISTEE

Photographer: Biff Snr | Words: Neale McGeever

**Name:** Mistee

**Age:** 29

**Location:** West Midlands

**Hi, welcome to Elite! Tell us a bit about yourself, where you're from and how you got started in the industry:** I can be summed up by a few words, Metallica, pink, tattoos, #gymknobhead, Nike, sequins, shiny things, hair dye, sarcasm, True Blood and PVC! Not necesarilly in that order but definitely Metallica first! I kind of fell into the industry by accident. I often go to tattoo conventions and get a lot of attention from photographers because of my artwork. They don't want pictures of my face, it's usually my backpiece haha! But after talking to a few people they encouraged me to have a go, so here I am!

**How would you describe your style?** I don't actually think I have a style, it's more about mood. One day I might dress in jeans and pumps, another day it's a Metallica t-shirt and Vans and if I'm really going all out it's a tight mini dress with the highest heels I can find. But more often or not I'm in my gym gear (yeah I know complete #gymknobhead).

**What was it like to work with Biff Snr on this shoot?** Biff was amazing, he made me feel really comfortable and his direction was spot on. We shot for hours but we didn't care because we knew we were getting some awesome shots.

**Outside of modelling, do you have any other passions?** I'm a really creative person, I love to draw and paint, and I especially love to paint hot women. Music is another passion, listening to music loud and thrasing it out in the gym is an incredible feeling.

Photographer: Biff Snr | Words: Neale McGeever

A woman with long red hair and extensive tattoos is posing in a kitchen. She is standing in profile, leaning against a window frame. Her tattoos include a large floral design on her upper arm, a large black and grey design on her back, and a large black and grey design on her leg. She is wearing a white, sheer, strapless top. The kitchen has white cabinets, a sink with a chrome faucet, and a window with white blinds. A small red and white striped object is on the counter. A green container is on the floor near her feet.

**WHAT WAS YOUR  
FAVOURITE PART  
OF THE SHOOT? IT  
WAS GREAT TO TRY  
DIFFERENT STYLES  
AND LOOKS, OUTFITS  
AND LACK OF  
OUTFITS.**

**So how can a guy impress you?** Sense of humour and not taking things too seriously, I'm always making a complete fool of myself and pulling stupid faces. Intelligence is important too, being smart is really hot!

**What is the naughtiest thing you do?** When I have a real craving for something sweet I make some Angel Delight and then eat the whole thing in one sitting. Oh you didn't mean that kind of naughty? Ha. Cough! I could not possibly say. I leave that up to your imagination you buggers!

**Do you have any tattoos or piercings?** Indeed. I have a couple of piercings and I have ONE fucking big tattoo. Back, chest, stomach, ribs, arms and my left calf are all covered. All my work is my Colin Jones of Stained Glass. I walked in his studio about 6 years for one tattoo on my ribs and now I'm working on a full bodysuit haha!

**Are you a high heels or trainers girl?** Most definitely both! Depends on the day and mood but when I'm heading out I have to wear the highest heels I can possibly find. Small heels are a complete no no!

---

Photographer: Biff Snr | Words: Neale McGeever

**Who would be your ideal housemate?** I have a serious crush on Paige Hathaway. She looks absolutely amazing, I'm afraid I'd probably find any excuse to 'accidentally' walk in on her in the shower.

**Beards - Yes or No?** Hell yes! And no...I fancy both! To be honest I'm a complete perve, beard or no beard!

**What's the worst idea you have ever had?** I really wanted to decorate a room in my house with a sunset and being an artist thought it be a piece of piss, erh no, I was so wrong. It ended up looking like something out of the Tellytubbies! What a complete twat!

**If you could, what would you like to un-see?** I was in the gym and this old guy was next to me putting his leg up and stretching. Unfortunatly for me his balls were hanging out. He was completely oblivious and I was scarred. Needless to say I finished what I was doing rather quickly.

**Finally, is there anything you would like to say to the Elite readers?** Hi hi, nice to meet you all. Hopefully we will get to catch up again Oh, and I'm single by the way...

What's a guaranteed turn on for you? Abs and  
blue eyes, oh and good shoulders.

A black and white photograph of a wooden floor with a hand reaching in from the right side. The floor is made of wide wooden planks with a visible grain. A hand with dark nail polish and a tattoo on the wrist is visible on the right side, reaching towards the center of the frame.

# ROUGHENS®

[WWW.ROUGHENS.COM](http://WWW.ROUGHENS.COM)

*Jo Evans &  
Gemma Stafford*

**Name:** Jo Evans

**Location:** Staffordshire

**Hi Jo, welcome back to Elite! Tell us a bit about yourself, where you're from and how you got started in the industry:**

I'm originally a farm girl from Staffordshire but now I spend most my life in Liverpool or London! I'm an alternative glamour model and promo girl and spend most my life at gigs, in bed or eating food. I got into the industry through a bit of drunken confidence, sent my images to an agency and ZOO magazine, got a few cheeky features and never looked back since!

**What was it like to work with Rebecca on this shoot?**

Amazing! I love Bec, she's actually a close friend of mine so I was completely at ease around her. The only problem was trying to get a shot in through the amount of catching up we had!

**WHAT IS THE  
NAUGHTIEST THING  
YOU'VE DONE? WHERE  
DO I BEGIN? I ONCE GOT  
CAUGHT HAVING SEX  
OUTSIDE BY A VERY  
ANGRY DOG WALKER,  
THAT WAS PRETTY  
EMBARRASSING AND  
I GUESS A LITTLE  
NAUGHTY.**

**What was it like to work with Gemma?**

Great, this isn't the first time I've worked with Gemma, we've done a feature together before! As well as Bec she is another close friend so it was nice being able to work with a girl I know and can have a laugh with while shooting!

**What's Gemma's best feature?** This is difficult because we all know how stunning this lady is so it's very hard to choose! I love her boobs and I'm fairly jealous of her butt but mostly her hair is incredible, she's always doing something crazy with it!

**What's your best feature?** I like my eyes, I always have. I would think most people would expect me to say my boobs though with me being a glamour model!

**Outside of modelling, do you have any other passions?** I love horse riding and I have four horses, two I ride and two miniature Shetlands. I also have a passion for music, so I'm always at gigs and festivals loving life drinking warm beer and getting pushed around in a mosh pit somewhere.

Photographer: Rebecca Need-Menear | Words: Neale McGeever

**So how can a guy impress you?**

Judging by my current boyfriend, Harry Radford (Yashin), he impressed me by just being a genuine, passionate person, who always made an effort to make me laugh. I'm really into guys who are strong minded, independent and who work hard for what they love, I think that's the most sexy thing in a person. I don't get guys, or people for that matter, that just sit on their ass and expect the world to work for them. I also dislike arrogance, rudeness and cheats so don't be one of those guys if you want to impress me!

**What's a guaranteed turn on for you?**

All I have to do is look at my boyfriend and I'm turned on, I'm like a dog on heat around that guy... Haha just kidding, a guy with a lot of confidence is a big turn on for me, in and out of the bedroom.

**Are you a high heels or trainers girl?**

Trainers or boots, I'm pretty shit in heels, it's been said before I look like Bambi on ice... I spend more time wobbling around than I do anything else.

**Who would be your ideal housemate?**

I would love to live with my besties; model Emma Summer and the singer of Leopards Jenna Clare. Those girls are my heroes, they get me through any shit and I have such a great time whenever I'm with them! I would also like to add my cat Mew to this house because she's awesome.

**Finally, is there anything you would like to say to the Elite readers?**

Yes! I hope you enjoyed the shoot and the interview, you guys are awesome and make sure you hit me up on Twitter and tell me what you thought - @scribblesjo

**Name:** Gemma

**Location:** London

**Hi Gemma, welcome back to Elite! Tell us a bit about yourself, where you're from and how you got started in the industry:** I'm originally from Somerset but moved to London earlier this year to work freelance as a makeup artist for film and television.

**How would you describe your style?** I love vintage glamour and grunge fashion. Two very different styles I know!

**What was it like to work with Rebecca on this shoot?** I've worked with Rebecca quite a few times now. Plus we are practically neighbours! She always gets amazing pictures.

**What was it like to work with Jo?** This was my second time shooting with Jo, she's a sweetheart!

**What's Jo's best feature?** She has incredible legs!

**What's your best feature?** I have no idea! I like my eyes.

**DO YOU HAVE ANY  
TATTOOS OR PIERCINGS?**  
I'M PRETTY COVERED IN  
TATTOOS. I'M WORKING  
ON MY LEGS AT THE  
MINUTE. I'VE GOT MY  
SEPTUM PIERCED TOO.

**What was the funniest thing to happen at the shoot?** As it was a female team we were all pretty much having a laugh all throughout. It was super chilled.

**Outside of modelling, do you have any other passions?** I'm a make-up artist so that takes up a lot of my time. I also love grunge fashion and I'm thinking of starting a blog soon.

**So how can a guy impress you?** Confident, kind and hilarious are key. Ambition is admirable too.

**What is the naughtiest thing you've done?** I'm innocent!

**What's a guaranteed turn on for you?** Ryan Gosling.

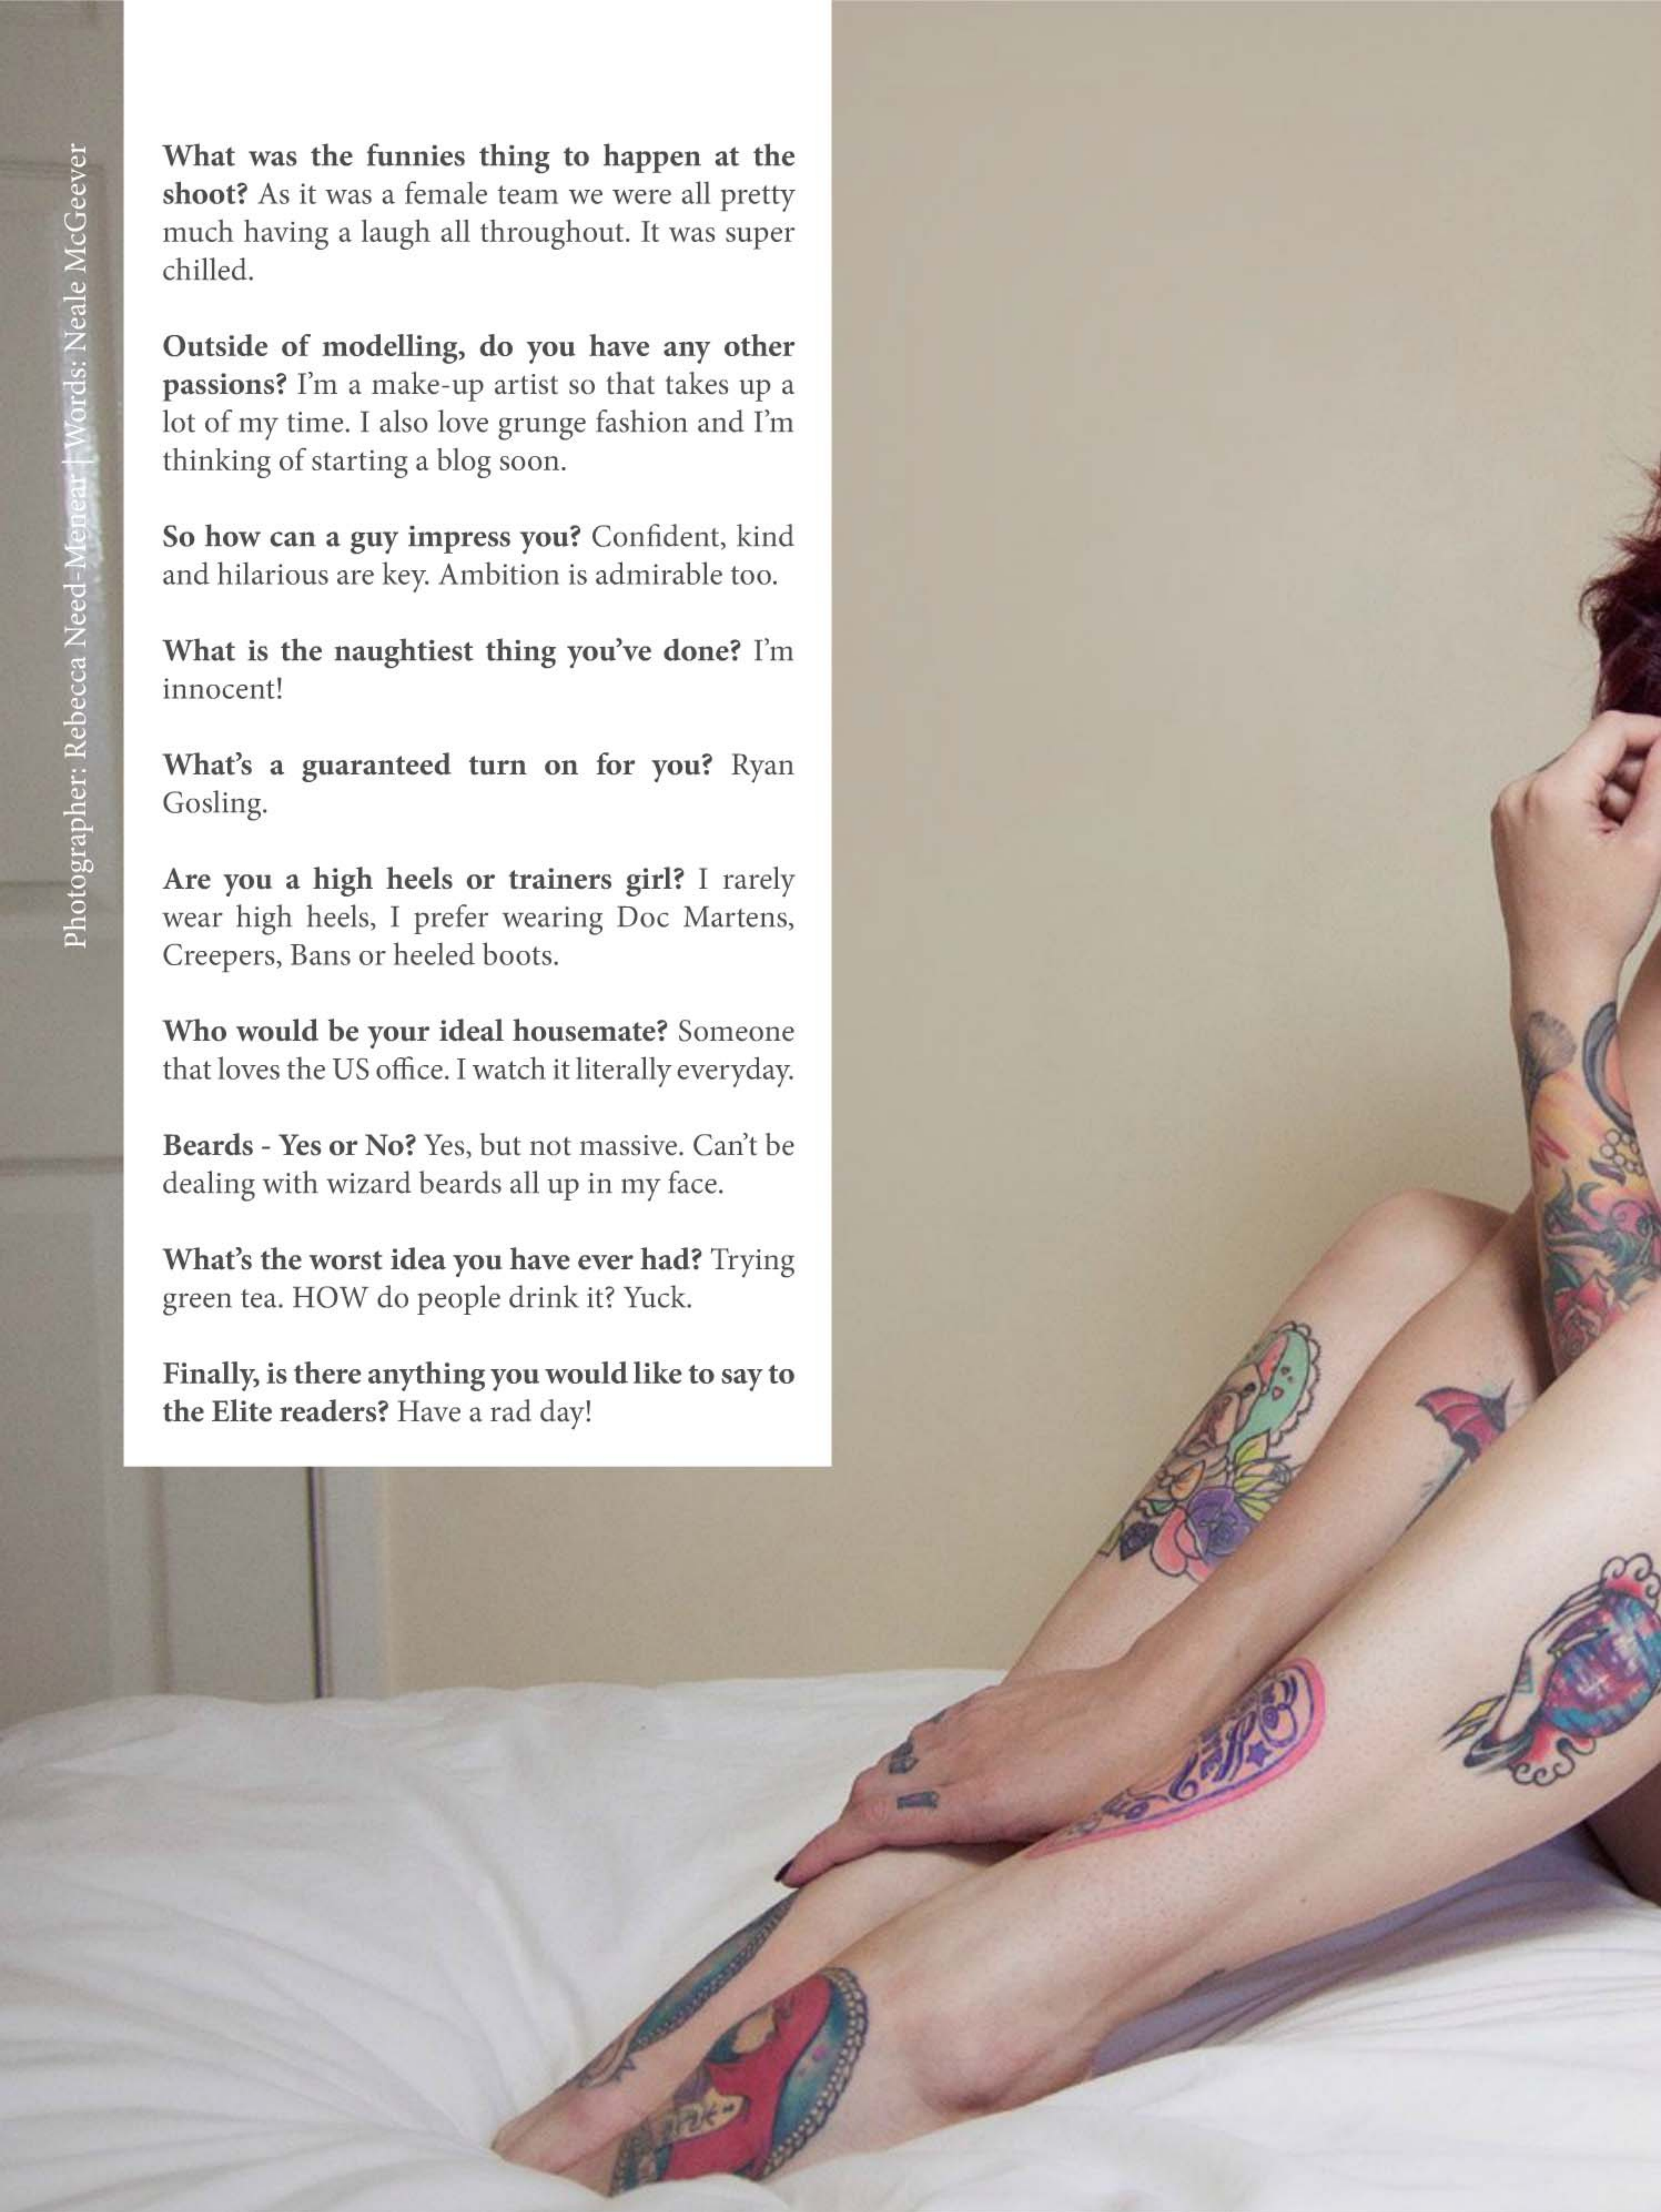

**Are you a high heels or trainers girl?** I rarely wear high heels, I prefer wearing Doc Martens, Creepers, Bans or heeled boots.

**Who would be your ideal housemate?** Someone that loves the US office. I watch it literally everyday.

**Beards - Yes or No?** Yes, but not massive. Can't be dealing with wizard beards all up in my face.

**What's the worst idea you have ever had?** Trying green tea. HOW do people drink it? Yuck.

**Finally, is there anything you would like to say to the Elite readers?** Have a rad day!

Is Back To Black!

**Name:** Nina Terror

**Location:** Manchester, UK

**Hi Nina, welcome back to Elite! There's nothing more we love than a bit of Nina... what you been up to since we last saw you?** Same old, same old. Still working on the plan on how to take over the world.

**What was it like to work with Tripodski on this shoot?** It's always great working with Tripodski, shoots are always great fun, and results outstanding as per usual.

**What was your favourite part of the shoot?** Hanging out with the awesome Elite mag team of course!

**Outside of modelling, do you have any other passions?** Wouldn't know where to start. What can I say, I'm a passionate person.

**So how can a guy impress you?** Charm and good manners are always a winner.

**What's a guaranteed turn on for you?** Good hair, charm and intelligence... in that order.

**If you could have one superpower, what would it be?** Psychic power of some sorts would be awesome.

**If you could pick one celebrity to put on a stranded island to never be seen again, who would it be?** Justin Bieber!

**What's your favourite rude word?** Probably the F word, my swear jar is filling up nicely.

**What's the worst idea you have ever had?** I really can't think of anything specific at present, but all those worst ideas seem like the best at the time, I suppose it's all a learning curve.

**Tee from**  
**[www.wethehumble.bigcartel.com](http://www.wethehumble.bigcartel.com)**

**Tell us something about you that people won't know:** I lived and studied in states for a year, as an exchange student when I was 16. Yes, I was that token hot (or so I'd like to think) exchange student.

**What would be your ideal night out?** Cocktails, a good gig, and dancing the night away at the after-party. Those nights are always good. As long as you are with the right people surroundings aren't that important.

**What's your favourite chat up line of all time?** Not a fan of chat up lines but I've had a 'was your ass forged by Sauron? Cause that shit looks precious!' Once, which was pretty imaginative to the usual ones.

**Finally, is there anything you would like to say to the Elite readers?** I would like to say a huge thank you for all the support over the years, it means a lot!

**Hi Rosie, welcome back to Elite! What have you been up to since we last saw you grace our fitness cover?** Helloooo! Thanks again for having me, it's great to me back. I've been super busy the last few months. Working my little butt off and traveling inbetween of course. I'm a little jet setter haha!

**What was it like to work with Jack again on this shoot?** It's always a pleasure! We have a fantastic time when we shoot together.

**What was your favourite part of the shoot?** I enjoyed the whole day really but always enjoy dancing and singing at the top of my voice haha... Jack has a great music selection!

**Outside of modelling, do you have any other passions?** I like so many different things outside of modelling. One of my passions is fashion, which I studied for 3 years. Of course my fitness, gymnastics which I did for 11 years and lots of random little hobbies hehe. I'm a bit of a tom boy at heart. I love doing jujitsu at the moment... It's so interesting and amazing workout!

**So how can a guy impress you?** Haha I'm easily pleased. I'm not exactly high maintenance. Someone who doesn't try so hard, I don't like guys who are too keen. Makes me want to run the opposite direction! I can be a bit of a bitch when I want to be, treat them mean keep them keen. Works everytime. I like a man to have ambition, trains and keeps fit, likes to travel the world, enjoy life to the fullest, someone who is just different from the typical guy, they all seem to be the clone of each other nowadays haha.

**What is the naughtiest thing you do?** Haha now that would be telling... They're too dark to tell ha!

**Name:** Lauren Brock

**Location:** Cardiff

**Hi Lauren, welcome back to Elite! Back on our cover as we loved you so much, what you been up to recently?** Well last week I was in France shooting, then I also went to Ibiza and have been all over UK shooting too. I am looking forward to Hungary and Australia and then Ibiza again in the next few weeks... Basically I want to travel and work... Perfect!

**Since it's coming to the end of Summer, what do you prefer Summer or Winter?** Definitely Summer, I hate Winter.

**What was it like to work with Tripodski on this shoot?** Always a pleasure :)

**What was your favourite part of the shoot?** It was all fun to be honest.

**Outside of modelling, do you have any other passions?** I'm a single mum so I don't have time to do much but I like to party when I can, go to tattoo conventions, festivals etc.

**So how can a guy impress you?** I'm not sure, my taste in men is so random. But I like dominating, quietly confident men... so maybe wine and dine me then spank my ass as I leave the restaurant, haha.

**WHAT'S A GUARANTEED TURN  
ON FOR YOU? GOOD TATTOOS.**

**WHAT IS THE  
NAUGHTIEST THING  
YOU DO? PROBABLY  
ATTEND ORGIES.**

**WHAT'S THE WORST IDEA YOU HAVE EVER HAD?** HMM, I ONCE GOT DRUNK AT A TATTOO CONVENTION AND HAD BARBIES PORTRAIT TATTOOED ON ME BUT SHE WAS BEATEN UP AND COVERED IN CUM... THAT WAS PRETTY HORRIFIC AND DONE SO BAD TOO..

Photographer: Tripodski | Words: Neale McGeever

**If you could have one superpower, what would it be?** To stop time... Is that a super power?

**If you could pick one celebrity to put on a stranded island to never be seen again, who would it be?** I don't really follow celebs but no one really annoys me... Maybe someone like Paris Hilton

**What's your favourite rude word?** Cunt.

**Tell us something about you that people won't know:** I'm actually really shy!

**What would be your ideal night out?** Dancing hard all night to dark drum and bass.

**What's your favourite chat up line of all time?** I'd gargle your period.

# Fae Rawen

*Possibly The Sexiest Redhead You Will Ever See!*

Photographer: Dekker  
Words: Neale McGeever

**Model Name:** Fae Raven

**Location:** UK

**Hi Fae, welcome to Elite! Tell us a bit about yourself, where you're from and how you got started in the industry:**

Hey Elite! Thank you for having me! I've actually been a fan of the mag for a while now, so it's amazing to be included! Ok so, a little about me... My name is Fae Raven and I'm from Reading, UK. I first got started with modelling in 2006 when I got scouted on MySpace. Before then, modelling just seemed unattainable to me, so actually being approached to join an agency gave me a bit of coincidence to really have a good go at it. And it all went from there really! Pretty much took over my life!

**How would you describe your style?**

Hmm... it's definitely changed a lot over the years. I've always been alternative. But right now I'd say I've chilled down quite a lot. And I'm quite into fashion now. But with my tattoos and bright red hair I think I'll always have that alt look about me.

**What was it like to work with Dekker on this shoot?**

Amazing! Such a lovely guy and we live so close to each other. It was weird we hadn't shot together before! He's very talented and also has a way with making models feel really at home and relaxed. And that's a really good skill to have because you get better pictures! Oh... and we ate chinese food afterwards and I kept spilling bits on the floor because I'm clumsy but he didn't get annoyed at all!

**Outside of modelling, do you have any other passions?**

I do. I have an 8 year old son called Draco who I absolutely adore. I'm a fully qualified nail technician and I love making people's nails pretty. I also pole dance, I paint and I love anything to do with beauty and make up. I specialise in make up at my day job. Food! I love eating and it's my favourite thing to do in life... also sleeping... and my cats.

Photographer: Dekker | Words: Neale McGeever

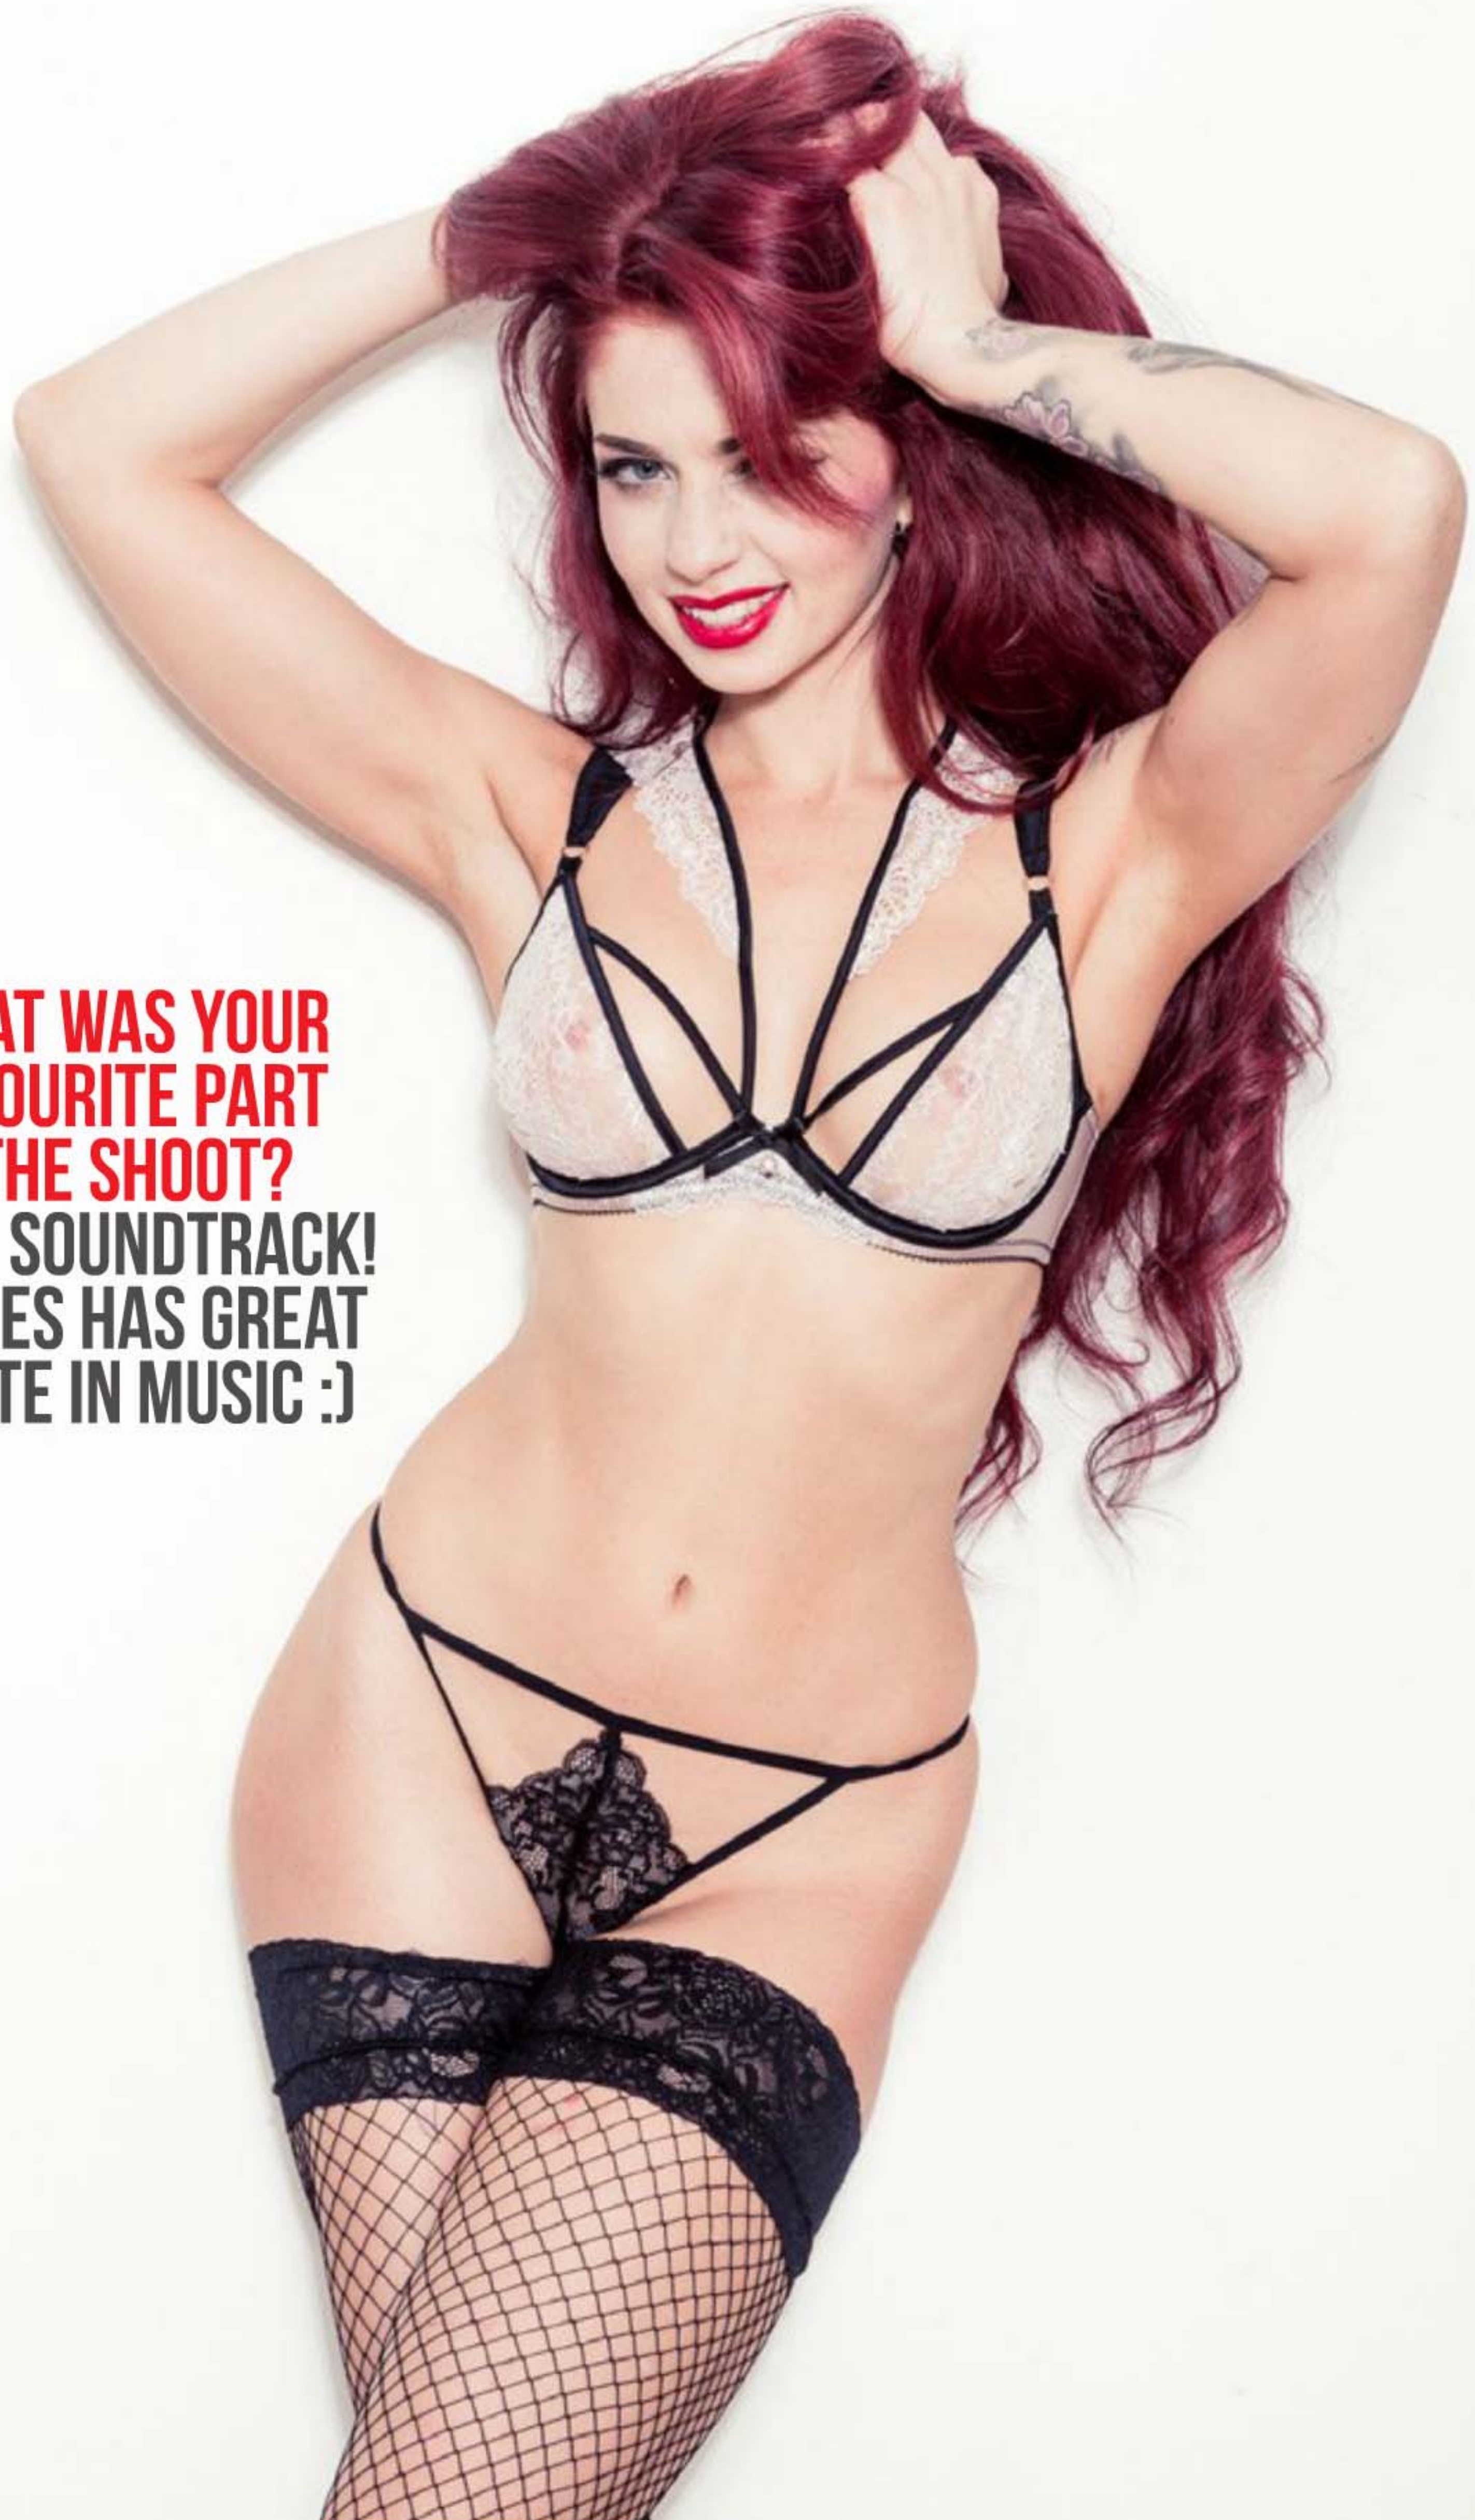

**WHAT WAS YOUR  
FAVOURITE PART  
OF THE SHOOT?**  
**THE SOUNDTRACK!**  
**JAMES HAS GREAT  
TASTE IN MUSIC :)**

**If you could be one person for the day, who would you be and why?** I would be my cat Otis. He's a fat little blue exotic persian cat and he's 11 months old. I'd love to know what he gets up to in a day and I'm always jealous that he gets to just laze about snoozing and eating most of the day... I wanna do that.

**If you could be in charge of Elite for one week, what would you do?** Work my butt off! Working in media is a dream job of mine! I studied it at college and actually wrote my exam paper on magazines in media. But 'this' mag especially would be good because I'd get to contact and interview lots of sexy as fuck models on a regular basis!

**If you could be a superhero, who would you be and why?** Jean grey. For her telepathic mind controlling powers. I could really do with a bit of that in my life.

**Where's the worst place you've been?** I broke down on the motorway once and had to sit for a couple days at a rest area in Sutton Scotney. That stays in my mind as being like hell on earth. But I think mainly cos I was stuck there, in the middle of nowhere. The place itself I'm sure is very nice.

**What's your favourite film?** Disney's 'The Little Mermaid'. I saw it for the first time at the cinema when I was 4 and it's been a family favourite ever since.

**Do you have any crazy phobias?** I'm not sure if it's that crazy but I'm terrified to my core of squid and octopus! The very slight thought of them makes me feel sick and shake :(

**So how can a guy impress you?** Be intense with me, I love that. I love being chased. To not have an ego. Not be too into his own looks. I dunno... I find guys like that to be more down to Earth and I can be myself with? I like a bit of softness as well... bit of a belly. Making me laugh! That impresses me very much :) Oh and having a good soul, being a good person always.

**What is the naughtiest thing you do?** Probably smoking.

**What's your favourite fancy dress outfit?** Well, I'm not sure it's my favourite but the thing that I've always gone back to dressing up as is a clown! That sounds really dumb doesn't it? But I make it look kind of cool. I do the sad clown makeup, and boots. Another one I like to dress up as is a french maid! That's fun :)

**WHAT'S A

FROM LOVE AND

**Finally, is there anything you would like to say to the Elite readers?** Thank you all SO much for taking the time to read my interview and look at my pics! And I'd like to say a BIG thank you to all supporters of my work over the years! You're all amazing and beautiful people! SO much love!!

# JENNY MILLER

Photographer: Tripodski | Words: Neale McGeever

*Rocks!*

**Name:** Jenny Miller  
**Location:** London

**Hi, welcome to Elite! Tell us a bit about yourself, where you're from and how you got started in the industry:** I have wanted to model since I was about 14 yrs old. I had some mini shoots from the age of 15 to 17 and did my first professional shoot when I was 18. I have never really pushed myself in the industry till about 2 years ago when I started getting more work. I love modelling and performing and hope to be able to do it for as long as I can.

**How would you describe your style?** Ghetto goth! I love snapbacks, baggy t-shirts, leggings, big gold hoops, chokers, latex, anything with spikes, ripped tights, anything weed print, and I love wedged Nikes and stripper heels, I love Killstar clothing, Wicked Lester clothing, Agent Provocateur, Disturbia clothing, Iron Fist and Adidas. My hair is a big part of my style, at the moment it's half black and half pink, next week it could be something else but i love keeping it half and half and had it like it for about 2 years now.

---

**Photographer:** Tripodski  
**Words:** Neale McGeever

**WHAT IS THE  
NAUGHTIEST THING YOU  
DO?** I'M A STRIPPER SO  
I GET PRETTY NAUGHTY,  
AND I'M NOT SHY TO  
TRY ANYTHING.

**IF YOU COULD, WHAT WOULD YOU  
LIKE TO UN-SEE? 2 GIRLS 1 CUP.**

Photographer: Tripodski | Words: Neale McGeever

---

**What was it like to work with Tripodski on this shoot?** It was awesome, I have shot with Tripodski before about a year back in Essex. We always have a laugh and I love it when he sings along to songs at the top of his voice while we shoot, definitely one of my favourite photographers to work with.

**What was your favourite part of the shoot?** I loved just dressing up and being silly with the guys, my favourite outfit is probs the one when I'm wearing my Creep Street pants that say on the bum, 'roll your weed on it'.

**Outside of modelling, do you have any other passions?** Fuck yes, i am a professional fire performer! I just performed 12 shows in 4 nights at Bloodstock festival in the serpents lair tent (V.I.P) tent with my girl Gabrielle Dollfacee, it was fucking amazing and I loved every moment of it. I got to watch DOWN from side of the stage too, it was sick. I also travel around the UK as a strip tease artist...I love being on stage performing or around a pole ;p

**So how can a guy impress you?** It takes a lot to impress me, I'm pretty old fashioned when it comes to dating. I love a gentleman, holding open doors, pulling out chairs, having someone make me feel like I'm the only one, loyalty and trust is supper important. So is good music taste! One day I'm listening to a lot of rap and hiphop like Biggie, WIZ, Drake, the Weeknd, Lil Wayne, the next I could be listening to Metallica, Deftones, Rise Against and Letlive... my man needs to be able to enjoy all kinds of music and be open minded.

**Do you have any tattoos or piercings?** Yeah I have a few tattoos on my arms, neck, hands toe and backs of my legs, gonna be getting my ass done soon... I can't fucking wait. I have my tongue pierced and I have 14mm tunnels in my ears

---

WHAT'S A GUARANTEED  
TURN ON FOR YOU?  
GINGER BEARDS, HEAVILY  
TATTOOED, FAST CARS  
AND WEED SMOKERS.

**Are you a high heels or trainers girl?** My trainers have heels in them haha... I love stripper heels and I love Nikes and Adidas trainers too.

**Who would be your ideal housemate?** Sheldon cooper, he is so funny and a neat freak

**What's the worst idea you have ever had?** When I was younger I use to do a bit off free running with the boys and I had to jump of a second story flat to a big grassy hill. I didn't land right and my knee smashed into my face and almost broke my nose... That was a bad day.

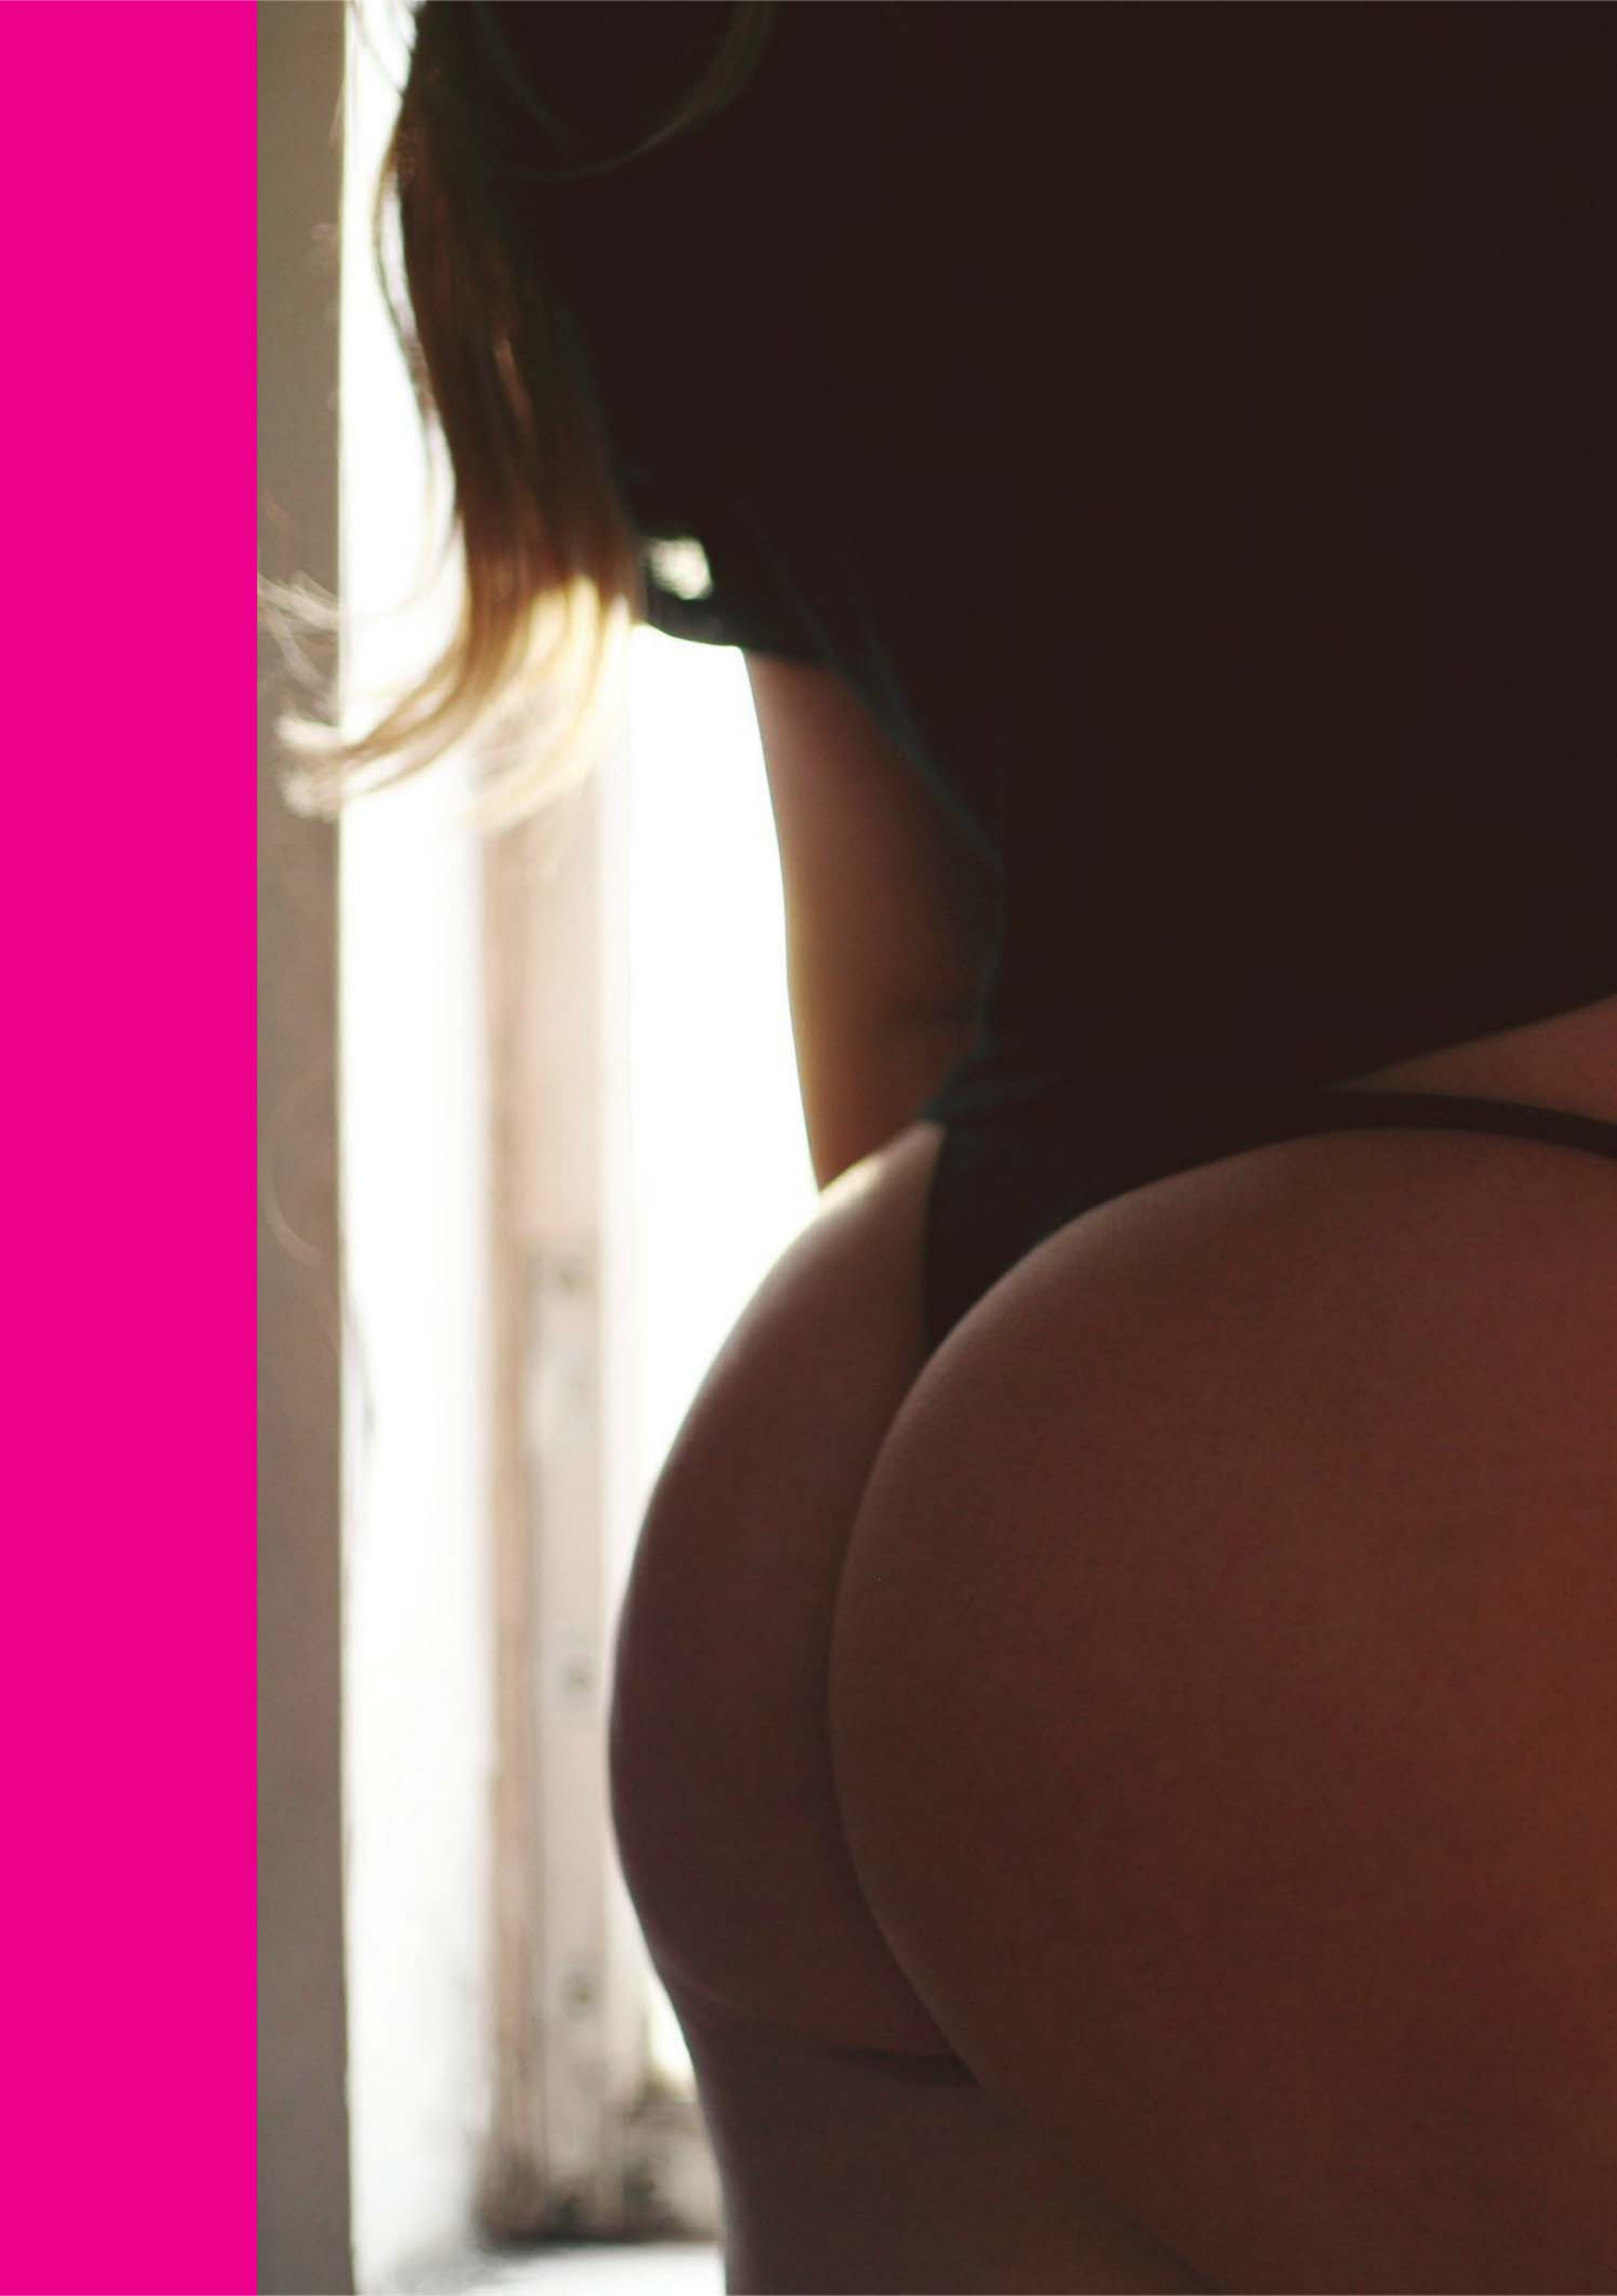

**Finally, is there anything you would like to say to the Elite readers?** Come check me out at one of my shows and keep up to date with all my shenanigans by following me on Facebook [www.facebook.com/jennymillerrocks](http://www.facebook.com/jennymillerrocks). Also..... smoke weed everyday xoxo

# KAZUMI

Photographer: Soroka Photography | Words: Neale McGeever

**Name:** Kazumi

**Location:** Sydney, Australia

**Hi, welcome to Elite! Tell us a bit about yourself, where you're from and how you got started in the industry:** My name is Jessica, but I am also known as Kazumi. I am an Internationally published model and writer as well as a mental health spokeswoman and event host from Sydney, Australia. I've always been in the industry, but due to health reasons had to put certain acts on hold. I made the mark when I published my first story called 'Kazumi - Revealed'. Some people claim they're 'weird', I believe I'm not from this world haha. As I always say, you'll never figure me out.

**How would you describe your style?** Unpredictable and mysterious. I have a pretty bizarre wardrobe which uniquely works with my weird mind and nutty persona. Ha. All in all though, I'm whatever I feel I wish to be that day I guess.. Who knows, tomorrow I might be a pixie.

WHAT'S A  
GUARANTEED  
TURN ON FOR  
YOU? I LOVE A  
PRETTY GIRL  
WITH A FILTHY  
MIND.

**What was it like to work with the photographer on this shoot?** Always a pleasure. Scott is a great photographer to work with, I have worked very closely with him in the past and we always have such fun! Really beautiful creating art and collaborating with Soroka Photography.

**Outside of modelling, do you have any other passions?** Oh many. I've been in the performing industry majority of my life. Aside from modelling I've been a professional dancer and singer for 16 years. Having needed surgery on my hip though I had to put aside certain acts. I'm slowly winding back into training and recording. I love to write and some of my work has now been published. In general though, I guess I'm passionate about my life and what I choose to do with it. Nothing is more important to me than living the life I want to - I know how quickly things can change.

**So how can a guy impress you?** Know how to make a good burrito! I have a soft spot for the quieter type, the less I can see and one reveals the more intrigued I am.

**Who would be your ideal housemate?** A llama. Have you seen that 'I'm gon make you lose yo mind up in here up in here' video with the Llama trotting to it? It kills me every time. I could teach him to drop it to rap. I would be happy, all the time. Haha. Otherwise, Sheldon Cooper. I adore the shit out of him.

**Beards - Yes or No?** I have to say no. I don't understand this obsession with beards. I love stubble, but I'm not into that full luscious beard. I can appreciate it, but I'd rather my bean be served on a clean plate haha.

**What's the worst idea you have ever had?** Oh god, who knows. There'd be so many 'awesome' ideas I had which were in fact epic fails, haha. I'm very impulsive so 'worst ideas' for me happen quite often.

**FINALLY, IS THERE ANYTHING YOU WOULD LIKE TO SAY TO THE ELITE READERS? KINDNESS. SPRINKLE THAT SHIT EVERYWHERE! KAZ <3'S ELITE!**

I make a lot of my own clothes so I can be different and quirky. I love fashion.

# MY SELF MY SELF MY SELF MY SELF

Photographer: Dekker | Words: Neale McGeever

---

**Model Name:** Melanie Ivy

**Age:** 30

**Location:** London

**Hi Mel, welcome to Elite! Tell us a bit about yourself, where you're from and how you got started in the industry:**

Hey Elite readers, my name is Melanie Ivy and I'm from South London. To sum me up, I would consider myself peaceful, happy and laid back, yet I crave adventure and having fun in life. I got into alt modelling because I love creating art and being a part of it; It's why I'm covered in large artistic tattoos! I got into modelling through online portfolio hosting sites, and it all took off from there.

**How would you describe your style?**

I dress like a gothic hippy. If I'm going out at night I'm usually inspired by rockabilly and gothic fashion. When I'm at work and lazing around the house I'm casual, usually in band t shirts.

**What was it like to work with Dekker on this shoot?** Amazing! James Dekker and I share the same taste in metal music so we were blaring out great tunes whilst I was striking poses (and head banging, haha). It shows in the photos that we were having a laugh.

**What was your favourite part of the shoot?** An impromptu dance to Babymetal during the shoot, which James filmed and put on Instagram/Facebook. I'm always dancing; when I hear a song with a good beat I automatically bust out some moves, even if I'm at work or walking down the street.

**If you could be one person for the day, who would you be and why?** Alana Blanchard (pro surfer). I love the sea and surfing is a beautiful and thrilling way to experience it. But I just don't have time to really get into surfing. So to get paid to surf waves in gorgeous locations around the world (whilst looking sexy doing it) seems like a pretty damn good life to me!

---

**If you could be in charge of Elite for one week, what would you do?** I would get Elite models to go to music gigs and festivals around the world to review the bands, complete with backstage passes. Hey, it promotes the magazine, bands and the models. Added bonus of meeting my music gods ;)

**If you could be a superhero, who would you be and why?** Buffy the Vampire Slayer. She represents the ultimate female strength and power IMO. I find any woman who is skilled in fighting yet disciplined with it is damn sexy and inspiring.

**Where's the worst place you've been?** Parts of my home town (Croydon) are pretty dire...

**What's your favourite film?** I'm a massive film geek, you can't ask me to name just one! 'Cloud Atlas' is probably my favourite. 'Donnie Darko' and 'The Matrix' are also up there.

**Do you have any crazy phobias?** Not really. But you would never catch me tunnelling; I'm claustrophobic and after watching 'The Descent' I'm convinced that, if I ever went tunnelling I would get stuck and some creature would disembowel me.

**So how can a guy impress you?** Being thoughtful and creative. If you were to take me out on a date I would be impressed if you bought us tickets to a Machine Head gig, or a day out in a theme park, or some high adrenaline activity. Or even something as simple as making me dinner. A guy who makes the effort is always a winner in my books.

**What is the naughtiest thing you do?** I'd probably get in trouble with the police if I told you, haha.

**What's a guaranteed turn on for you?** I have a weakness for metal head musicians: guitarists, drummers, singers... all are a massive turn on for me. Martial artists also do it for me too ;)

**What's your favourite fancy dress outfit?** My Silent Hill nurse outfit. I like the combination of sexy yet disturbing.
